NOTE TO BUDGETARY COMPARISON SCHEDULE

SEPTEMBER 30, 2025

UNAUDITED

NOTE 1 – BASIS OF ACCOUNTING

Because state law requires a municipality's annual budget be prepared on the cash basis of accounting, the budget adopted by the City Council is inconsistent with generally accepted accounting principles. The budgetary comparison schedules have been prepared on the cash basis of accounting.

The City Council follows these procedures in establishing the budgetary data reflected in the supplementary information.

1. On or before August 1st – The City Council shall prepare a proposed operating budget statement in writing and file it with the secretary or clerk.
2. On or before September 1st – Notice of place and time of public hearing on the proposed budget statement, together with a summary of the proposed budget statement, shall be published at least five days prior to the date set for hearing.
3. Public hearings are conducted to obtain taxpayer comments.
4. On or before September 20th – A copy of the adopted budget must be filed with the levying board and the State Auditor's Office. Proof of publication shall be attained.
5. The City has elected to prepare an all-purpose document. The operations of the City's Special Revenue, Proprietary, General and Debt Service Funds are combined in the budget. Legally, the City cannot expend more than the total budget of expenditures unless it adopts a revised budget. Appropriations lapse at year-end.
6. Transfers among the enterprise funds and between the enterprise funds and other City funds must be authorized by the City Council.
