VILLAGE OF STUART, NEBRASKA
STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN
FUND BALANCES - MODIFIED CASH BASIS - GOVERNMENTAL FUNDS
YEAR ENDED SEPTEMBER 30, 2025

Amounts reported for governmental activities in the statement of activities are different because:	
Net change in fund balances - total governmental funds	(105,152)
Governmental funds report capital outlay as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense. This is the amount by which capital outlay exceeded depreciation in the current period.	117,357
The issuance of long-term debt (e.g. warrants) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position. The amount is the effect of this difference in the treatment of long-term debt and related items.	15,037
CHANGE IN NET POSITION OF GOVERNMENTAL ACTIVITIES	27,242

See accompanying notes to financial statements.
