Explanation of differences: (1) The City budgets for claims and compensated absences only to the extent to be paid, rather than on the modified accrual basis. (2) The amount reported as "fund balance" on the budgetary basis of accounting derives from the basis of accounting used in preparing the City's budget. (See Note 1 for a decription of the City's budgetary accounting method.) This amount differs from the fund balance reported in the statement of revenues, expenditures, and changes in fund balances because of the cumulative effect of transactions such as those described above.
