NOTE 1 – BUDGETARY ACCOUNTING

The Schedules of Receipts, Expenditures and Fund Balance are supplementary information required by the Nebraska Department of Education. The District prepared this information on the modified cash basis of accounting, which is the same basis of accounting used to prepare the District's financial statements. Under this method of accounting, all unexpended appropriations lapse at the end of the budget year. The presentation follows the same major function codes as that are used by the District to prepare their Annual Financial Report, which the District submits, to the Nebraska Department of Education.
