NOTE TO BUDGETARY SCHEDULES

NOTE 1. SCHEDULES OF RECEIPTS, DISBURSEMENTS, AND CHANGES IN FUND BALANCE - MODIFIED CASH BASIS - BUDGET AND ACTUAL

Basis of Accounting

The accompanying schedules of receipts, disbursements, and changes in fund balance - modified cash basis - budget and actual are presented on the modified cash basis of accounting. This basis is consistent with the basis of accounting used in preparing the basic financial statements. All undisbursed appropriations lapse at the end of the budget year.

Budget Law

The District is required by state law to hold public hearings and adopt annual budgets for all funds on the modified cash basis of accounting. Total disbursements for each fund may not exceed the total budgeted disbursements. The General Fund is also subject to a total non-special education disbursement limit. Appropriations for disbursements lapse at year end. Any revisions to the adopted budget of total disbursements to any fund require a public hearing.

For budgetary reporting, transfers to the Depreciation and Employee Benefit Funds are included as disbursements of the General Fund.

Comparative Data

Comparative data for the prior year has been presented in the budgetary schedules in order to provide an understanding of the changes in the District's financial position and operation (modified cash basis).

Reconciliation

The Nebraska Department of Education requires separate budgets for those funds considered as General Fund components for budget purposes.

A reconciliation of the General Fund financial reporting basis to the budgetary basis is as follows:

Receipts over disbursements - financial reporting basis	
General Fund	951,958
Receipts over (under) disbursements - budgetary basis	
General Fund	1,030,495
Depreciation Fund	(61,878)
Employee Benefit Fund	(16,659)
