NOTE TO SUPPLEMENTARY INFORMATION
BUDGETARY COMPARISON SCHEDULES
FOR THE YEAR ENDED AUGUST 31, 2025

1. BUDGETARY ACCOUNTING

The District prepares its budget for the Governmental Funds on the modified cash basis of accounting. This basis is consistent with the basis of accounting used in presenting the financial statements. Under this method of accounting, all unexpended appropriations lapse at the end of the budget year.

The term "Budgetary Fund Balance" used in these supplementary schedules is synonymous with the terms "Fund Balance – Modified Cash Basis" used in the financial statements.

2. PRESENTATION

Government Auditing Standards requires that for reporting purposes, the General Fund include all activity of funds that do not generate a significant amount of revenues from outside sources. Therefore, in the fund financial statements, the Depreciation Fund and Employee Benefit Fund have been included in the General Fund since their revenues are mainly derived from transfers from the General Fund. However, since the Depreciation Fund and Employee Benefit Fund are required by State law to adopt their own budget, their respective budgetary schedules have been included here.
