(INDEPENDENT) ACCOUNTANT'S COMPILATION REPORT

Village Board
Village of Elk Creek
Elk Creek, Nebraska

I have compiled the statement of cash receipts and disbursements – all funds of the Village of Elk Creek for the year ended September 30, 2022, and supplementary information, as included in the accompanying prescribed form. I have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with the requirements of the State of Nebraska Auditor of Public Accounts, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the requirements of the State of Nebraska Auditor of Public Accounts and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements and supplementary information.

My responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.

This financial statement and related supplementary information are presented in accordance with the requirements of the State of Nebraska Auditor of Public Accounts, which differ from accounting principles generally accepted in the United States of America. Accordingly, these financial statements are not designed for those who are not informed about such differences.

Management has elected to omit substantially all of the disclosures ordinarily included in a financial statement prepared in accordance with the cash basis of accounting. If the omitted disclosures were included in the financial statement, they might influence the user's conclusions about the Village's cash receipts and disbursements. Accordingly, the financial statement is not designed for those who are not informed about such matters.
