Township Property Taxes

If this is a Township Subdivision budget form, the amount of property taxes shown above and on the front cover may not represent the amount the Township will receive. Statute 39-1522 outlines that one-half of all money collected from the township levy on property within the corporate limits of a city or village shall be paid to the treasurer of the city or village to be used for the maintenance and repairs of the streets.

Township should take this into consideration when determining property tax amount to be budgeted.

Township Total Valuation	3038822149
City/Village Valuation included in Township Valuation	
General Fund Tax Rate	0.001779
Township Taxes within City/Village	-

Note: Township would need to verify with County Assessor the amount of City / Village valuation included within the Township Total Valuation. This calculation is only shown here as information for the Township to help determine the amount of property taxes needed to operate. **IT SHOULD NOT BE USED BY THE COUNTY FOR LEVY SETTING PURPOSES.**

Cash Reserve Fund

Statute 13-503 says cash reserve means funds required for the period before revenue would become available for expenditure but shall not include funds held in any special reserve fund. If the cash reserve on Page 2 exceeds 50%, you can list below amounts being held in a special reserve fund.

Attachment to Budget for 2025/2026 Fiscal Year

Explanation for change in Column 1, Line 5 of Total All Funds tab

The 2022/2023 budget Column line 30, column 1 from the prior year budget is different from Column 1, line 5 of the current year budget. The change is a reduction of beginning cash of $530.83. The difference is due to correcting the cash balance to reflect the reconciled balances of the bank accounts, and the County Treasurer's balance.
