Box Butte County, Nebraska
Budgetary Comparison Schedule - Major Special Revenue Fund
For the Year Ended June 30, 2024

NOTE 1 - BUDGET PROCESS

The County follows the provisions of the Nebraska Budget Act, in establishing the budgetary data reflected in the accompanying financial statements:

1. On or before September 1, the County Board prepares and transmits a budget for each County fund showing the requirements, the outstanding warrants, the operating reserve to be maintained, the cash on hand at the close of the preceding fiscal year, the revenue from sources other than taxation, and the amount to be raised by taxation.
2. At least one public hearing must be held by the County Board to obtain taxpayer comments.
3. At a meeting of the County Board, prior to September 30, after the action of the State Board of Equalization and Assessment has been certified to the County Clerk, the budget, as revised, is adopted and the amounts provided therein are appropriated.
4. The County Board is authorized to transfer budgeted amounts between departments within any fund through resolution; however, revisions that alter the total expenditures of any fund require that an additional public hearing be held followed by approval by the Board.
5. Budgets are prepared on the modified cash basis, the same basis of accounting used in preparing the financial statements.
6. If it is determined during the year that sufficient amounts have not been budgeted, state statute allows the adoption of supplemental budgets.
7. All unexpended appropriations lapse at year-end.
8. Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of monies are recorded in order to reserve that portion of the applicable appropriation, is not employed by the County because it is, at present, not considered necessary to assure effective budgetary control or to facilitate effective cash planning and control.

NOTE 2 - SPECIAL PURPOSE REPORTING - MODIFIED CASH BASIS/BUDGETARY ACCOUNTING BASIS DIFFERENCES

The financial statements prepared in conformity with the Special Purpose Reporting - Modified Cash Basis present capital outlay expenditure information in a separate category of expenditures. Under the budgetary basis of accounting, capital outlay expenditures are reported within the function to which they relate. For example, the purchase of a new sheriff's patrol car would be reported as a capital outlay expenditure on the Governmental Funds Statement of Cash Receipts, Disbursements and Changes in Fund Balances, however, in the Budgetary Supplementary Information Schedule, the purchase would be reported as an expenditure of the Public Safety/Sheriff function of government, along with all other current Sheriff related expenditures.
