Net position - October 1	178,688	-	-
Net position - September 30	$ 154,034	-	-

Note: (1) Proprietary Funds budget is prepared on a cash basis which recognizes revenues when received and expenses when paid. The Proprietary Funds do not budget depreciation expense, but budget cash outlays for property, plant and equipment as current expenses. The proprietary funds budget principal paid on long-term debt as a current expense but the modified accrual basis presents this change on the statement of net assets. Net assets on this budgetary basis consist solely of cash and cash equivalents.
